JACUZZI FLOOZY

Dear Club,

Here is a story from when I was with my now ex-girlfriend, I would like to share it with the readers. She was a very open minded young girl, when we first got together sex was off the cards and after months of waiting, the first time was pretty good. With a bit of coaxing from myself, I managed to persuade the good lady to try a few things out in the bedroom. We did the usual things of heading off into the countryside on sunny days to find some secluded spots, but the best time was after we joined the gym.

The gym in question is a relatively posh one with a lovely pool and jacuzzi, sauna and steam room, and one day after a heavy, late night session on the exercise machines we were sitting in the tub relaxing. The conversation turned to sex and Sarah started to rub my balls through my swim shorts. The swimming pool was empty apart from the attendants who were at the other side of the room dealing with the end of day paperwork, so there weren't any eyes on us.

I said to Sarah that it was a fantasy of mine to do it in a hot tub, to which she replied that she was game if I was! After a few minutes of fiddling with my balls I was now fully erect and Sarah's hand was slowly wanking me. My hand was working its way into her bikini bottoms, sliding the material to one side and starting to rub her lovely clit. She was giggling that the water was tickling her and that the staff could come along at anytime, but to be honest I don't think that either of us cared at all.

After a bit of rubbing, kissing and moaning,

TAKE MY WIFE

Dear Club,

I'm not in the habit of sending marriage proposals in the post – I like to think I'm more of a 'drop to one knee' kind of gent, but as I'm not likely to bump into Vicki (*Club 39/5*) in my high street any time soon, I hope you'll forward the enclosed proposal on to her. I've got my own house and business, I'm physically fit (I've enclosed some pics for her), so I hope she takes it seriously. I'd be willing to go for a few dates first, obviously...

Mark, Southampton

Mark, we're more than happy to forward on your proposal. We've done this a few time over the years, although we're not sure how many happy marriages have come about as a result. But let's have some quid pro quo. If Vicki agrees to marry you, you have to promise us you'll let her continue to flaunt her precious bits in Club. Sorry, it's a dealbreaker.

FLOUR POWER

Dear Club,

I know it's extremely adolescent of me, but I've always loved stupidly named products – classics like 'Cock Soup' and 'Bum Crisps' – they bring out the inner teenager in me. Well, nipping in to my local corner shop for a finger of fudge and some fruit pastilles, I ended up clocking this in the ethnic food products section. Do I win a free subscription?

Jon, Vauxhall

Yep, we love nothing better than stupidly named products too. It's all those years spent sniggering at *Private Eye*. Your entry joins the elite club of classics, especially as 'Fu Fu' is one of the more specialised terms for 'fanny'. There's no free subscription – we're not made of money – but we've sent you a few packs of fruit pastilles to tide you over...

Sarah grabbed my cock hard and as she did, she came. I immediately slid two fingers inside her wet gash and, as I did so, she demanded that she needed to be fucked good and hard. She pulled her bikini bottoms to one side and mounted me. My cock slid easily into her slippery twat and she started to ride me slowly.

I was thrusting upwards from under the water, the feeling of her slippery cunt was amazing, then as we both got a bit too excited and she started to whimper, I started to thrust harder and harder. She started to really bounce on me. The hot water and bubbles were spilling everywhere, the steam was rising all around us, her lovely 32DD tits were bouncing enticingly in front of my face. I was desperate to free them and suck on her lovely nipples like I did at home, but by now the seed was starting to rise from the bottom of my cock and with a few more thrusts I came deep inside my beautiful girlfriend.

I then came to my senses and Sarah came down from her orgasmic high and we realised that the girl in the office was indeed watching us, so we rather sheepishly got out, showered and left, never to return again. The sad part is that I'm still paying for the bloody membership even though Sarah has long since gone.

PIECE OF ASH! ♣

Ashley needs treating like a lady. We can do that!

With those wonderful eyes and her sparkling wit, it's easy to overlook the fact that Ashley has got an amazing body with stunning tits and a pussy that we want to dive into face first. But not us. We're not these shallow types who only like a woman for her mind, her conversation, her 'self'.

No, we're 'new men' who like a woman for what she's got hiding in her bra and knickers. We're not nasty brutes who want to 'nurture a woman's soul', whatever that means. No, we want to break our cock off in her and then splatter her tits – to treat her like a real woman. Finally, when we glue Ashley's eyes together with gouts of molten man cum, these feminists will finally get off our backs and accept us for the sympathetic lovers we are. ♣

No. 7 – Haley Paige

A tragedy and an unsolved mystery, the death of Haley Paige has never been fully wrapped up in a satisfying way. If her sad demise were an episode of *CSI* you'd be shouting at the screen by the end, as they fail to solve the crime. But it wasn't a TV programme, it was the sadly true end of a young life, goddamnit it.

Paige was born in Mexico with the name Maryam Haley in 1981. Her early years are undocumented, so it was when she hit the age of 19 and began appearing in adult movies that she made a splash. She had been working in her local Blockbuster up till that point but the lure of cash and cock took her into the biz. Before long she was racking up a string of performances in low to mid-budget porn flicks, directing her first adult movie (*Virgin Territory*) in 2006. Her cheery good looks gave her an innocent air, even when she had bell-ends nudging her epiglottis, but it would seem that her choice in boyf would be her undoing. Inkyo Volt Hwang (known in the industry as Wanker Wang) had already been up on charges of physical abuse against Haley when he brought her dead body into an ER in August 2007. They'd been missing for seven weeks, and the rumours started going around that she'd died of a heroin overdose. Other rumours circulated that Hwang had murdered her. Neither could be substantiated, so her death remained unsolved, and any hope of getting an answer out of Hwang evaporated the next month as he was found dead from an overdose. She'll be missed, so it's the least we can do to have a tug in her honour.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: **Demi Moore**

Let's face it, as with most of the ladies who find themselves in this column, yes you would. Probably more so with Mrs Kutcher. She's a hot woman, and it's only the fact that she's pushing 50 (well, she's got three years to go) that would make you think twice.

But it's hard to pinpoint a time when you'd have gladly doinked Moore without a second's thought. Back when she was in *Ghost* she had a boy's haircut, she looked like a very butch lesbo when she had her hair shaved for the dreadful *Gl Jane*, and even when she was getting her hoo-has out in the risible *Striptease* her rippling abs hinted that maybe she'd spent a bit too long down at the gym. So, even though she's a beautiful woman with a toned body and bouncy norks, she's always managed to find something unattractive to do which puts us right off her. Like posing nude but with a baby in her gut on the cover of *Vanity Fair*.

So yes, I would give Demi Moore one, but I'd have to do it without all those images running through my head, as they're all a bit off-putting. And she'd have to keep her yap shut. Oh, and you wouldn't want her and Bruce's kids running around making a load of

Moore equals less.

RESPECTABALLS

WHEN PORN STARS HIT THE MAINSTREAM...

Katie Morgan has a big rack, blonde hair and a cunt that just won't quit so you'd be forgiven for believing she's just another pigshit-thick dick-gobbler from the San Fernando Valley. You'd be wrong. As well as opening her legs and letting men put their wieners in the hole that's between them, the (alleged) genius IQ-level strumpet presents porn documentaries on cable channel HBO in the States, sitting in the nude and talking about the history of adult movies from their black and white early days through to the HD gonzfest they've now become. A funny, effervescent presenter, Katie admirably holds her own on shows such as *Katie Morgan's Porn 101*, on a channel that gives us top quality shows such as *The Wire* and *The Sopranos* (which Katie appeared in as a stripper). It's just a shame that her programmes haven't made it across the pond to us yet. You can

always get your hands on so-so comedy *Zack and Miri Make a Porno* as Katie also stars in that, with her bouncy boobs getting an airing. She's deffo one to watch, the kind of porn star who gives the biz a good name. Even if she is only allowed on telly with her minge out.

Major Morgan.

THE BIT ABOUT BABES WHO LOVE TO BLOG...

Man, that Tori Black is one hot bitch, and she damn well knows it. Following her on Twitter gives one a valuable into her hot bitchery, as her tweets are a mixture of sexy twitpics of herself (including quite a few taken on a tanning bed) and then moaning about air travel and 'haters'. The 21-year-old is an avid tweeter, and is more than happy to document what scenes she's gonna be filming (including describing her first anal scene) and giving us on-set sneak previews of her co-stars. Here are a few of her choice tweets:

"Sooo whew! Long day of Call of Duty and laundry lol btw I SMASH on bitches."

"so fucking tired. slept all night but this bed in the hotel room is rock hard. i get really bad sleep :("

"Sidebar- I hate it when vaginas bleed"

"just got home from a hot orgy with alexis texas, kristina rose, monique alexander, lexi belle and georgia jones.. wouldve stayed but i work in the morning... about to hop in bed, i'm one jetlagged chica right now!"

"Getting ready to take lex in the ass again tomorrow... Wish me luck!"

"Headed home with fatburger and a lovely fat dick to sit on. Now THATS how to make an exit"

Not following her yet? Are you CRAZY? The stacked brunette chats with her fans on Twitter so get your ass over to twitter.com/misstoriblack and say hello. Tell her I sent you. And prepare to see a lot more of that sweet tush.

Tori Black. Rarer than a black Tory.

HD T&A - THE WAY GOD INTENDED...

British drama *Incendary* unfortunately didn't set the box office on fire (geddit??!) on its release last year, which is mainly because most reviewers acknowledged it was an incoherent mess. The tale of a woman (Michelle Williams) who's busy doinking some other fella (Ewan McGregor) while her hubbie's busy getting blown up by a terrorist bomb at a football match, it's actually not a bad watch, but the real reason I'm recommending it here is for one thing. Well, two things. Michelle Williams's lovely crackers. And now that it's out on Blu-ray, you can pause the moment she gets 'em out and gives Ewan an eyeful before letting him give her a reacharound on the sofa, all whilst her betrothed is getting sprayed all over the Emirates. Williams, who's just been in Scorsese's *Shutter Island*, has a perky pair of love-pups and doesn't mind us all knowing, although viewers of the film should be warned that once she's got them out and heard about the death of her husband (oh yeah, and her kid who dies with him), she doesn't seem to be in the mood to get them out again. Can't think why.

TRUDGING THROUGH THE WORLD'S SEX TRIVIA SO YOU DON'T HAVE TO...

The same chemical responsible for the ecstatic highs of sexual attraction, phenylethylamine, is also found in chocolate (so buy your missus a Yorkie next time you wanna get your rocks off)

In Medieval France, unfaithful wives were made to chase a chicken through town whilst naked (apparently, I might add. Although it wouldn't be a surprise. Bloody French)

Humans and porpoises have one social sex practice in common - group sex (although it's undocumented as to whether or not porpoises are swingers)

Wyoming's Grand Tetons mountain range literally means "Big Tits" (it's unknown what the name of the local canyon, Grand Buttholens, translates as)

Up until 1884, a woman could be sent to prison for denying a husband sex (there are worse laws we could bring back...)

SHYLA BOFF!♣

These Yanks have a special relationship...

You can't see us in these photos, but we were there, trying to put ourselves in the middle of Shyla and Nikki whenever a gap presented itself. You can't blame us for wanting to be in a sexy sandwich, but they weren't having it.

Maybe it's because they were getting so carried away. Turns out Shyla has got just about the most flexible tongue in the business, and it was working wonders on Nikki's nethers. Nikki, it further transpires, has a banshee-like wail when she cums, which is sexier than it sounds.

So how does Nikki return the favour? With her patented two-finger, one tongue oral sex method, developed over many hours spent between the legs of similar-minded ladies. Shyla's noise when she climaxes is considerably more demure, but still enough to rattle the windows.

By now, we've given up all hope of being invited in to the fray but, you know what? We're okay with that. As long as we get to watch, we're happy with that. ♣

WE WILL.

Good. I wish I was there to squeeze on your nuts while you did. Fuck, I'm getting horny thinking about it. If you wanted me to, I'd suck on those balls while you wanked, I might even lick your bum!

REAR WINDOW! ♣

LET'S MOVE IN NEXT TO LUSH LINDSAY...

Fuck, but we'd love to live next door to Lindsay, especially as she spends half her time walking around her place in the nuddy.

"Well, I lived next door to an old lady for a while," says the Californian cutie, "so I didn't think it mattered. But now it's a bunch of college guys and they're always at the window."

So we're assuming you'll be wearing a dressing gown from now on?

"Screw that. Clothes are so restrictive. I don't care if those guys keep looking over with their binoculars, as long as they've got boners, I'm doing something right."

Why don't you invite them over to check?

"Screw that as well. I don't want some college dick being all cocky. I'll stick to real men who know what they're doing. And maybe I'll fuck 'em in the window so the college perverts can learn something!" ♣

PHOTOS: SAGE STYLE

JOCKIN' OFF! ♣

Chloe explains the off-side rule to us...

Chloe, making her *Club* debut, has been watching the World Cup avidly. So what? Well, she's an American. Go figure!

"I think you'll find that American women are more into soccer than American guys are. They're too much into their dumb jock sports to appreciate the beautiful game."

Keep going...

"And there are thousands of female soccer teams over here. And don't forget that the last World Cup we hosted was the best attended, the highest average attendances, and it was only a 24 team cup!"

Jeez, you're a real statto.

"I reckon I could give you British 'footie' geeks a run for your money. In fact, I love you Brits so much for inventing soccer, I'm coming over for a sexy game of 1-a-side..." ♣

AC Ryan Play On! HD

£250

www.playonhd.com

I haven't made the move to a media streamer yet at my otherwise hi-tech chateau. That's largely because I'm relatively content with an upscaling DVD player that will play discs of pretty much any format I chuck at it anyway.

But eventually I'll tire of these mini-frisbees, which are useless once watched, and that's when I'll turn to something like this. It's pretty comprehensive, and handles 1080p HD files a treat and almost without flaw. You can buy it with a 2TB internal HDD, but there's the option to replace it yourself, and a nice touch

is the internal bittorrent client so you can download straight to it. Throw in internet radio and this sturdy beast is a pretty kick-ass piece of tech-geek heaven.
Pros: Lovely HD, very big capacity.
Cons: Not exactly wallet friendly, and lots of competition emerging.

Archos 7 Home Tablet

£180

www.archos.com

As 'Tablets' go, this is about as much use for web browsing as the ones Moses carried down from Mount Sinai. In fact, the clue is in the name, the 'home' telling you that this isn't really a serious iPad competitor. How could it

be, lacking Bluetooth, 3G and with a pretty weedy processor that slows things to a crawl at times. And while your Android and Apple mates are all app'd up, this can't handle them. What it does do is play video pretty well, like many an Archos product. But is that enough in this day and age?

Pros: Decent video playback, okay touchscreen.

Cons: Could use an Android update and a better processor.

Phillips 7605 LCD TV

From £849

www.phillips.com

Big fuck-off flatscreen tellies didn't take long to get from being desirable items for early adopters (people with surround sound, in other words) to something you might pick up on a whim in Sainsburys with your cans of Staggy chilli. But while the price point has dropped through the floor for your standard 42" goggle box, the high end of the market remains resolutely expensive and feature-packed. It has to justify its existence.

The Phillips 7605 LCD range is almost like a clothing diffusion range – you can try on the good stuff at a reasonably affordable price. Finally, we proles can have Ambilight technology and other bells and whistles you didn't know you needed to watch *Come Dine With Me* properly.

Pros: The picture. It's frickin' ace.

Cons: £849 isn't exactly giving it away, is it? ♣

BREAST LIST!♣

If your name's not down, Ashlynn won't let you in...

Ashlynn Brooke only rolls VIP. While we're the kind of people who end up in a row with whoever is holding the clipboard, going, "No, we're sure we're on X's list..." she just sashays to the front and some kindly meathead lifts the rope for her.

But is the VIP section all it's cracked up to be? Isn't it just full of idiots who think they're slightly better than the rest of us. Who peer beyond a rope at the hoi polloi, who act like their shit doesn't stink when, in fact, they're sharing the same room, the same drinks, the same air, the same dreadful music? They're just doing it with a bunch of snobs instead of with the real people.

Well, we've taken all that into account but, all things being equal, we'd like to be in the VIP section purely because Ashlynn Brooke is in it, and we'd like to sidle up to her and sniff her skin when she's distracted. ♣

Sasha's Secrets

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

Sasha

Hi boys! I bumped into a couple of readers in a nightclub recently and had a lovely chat. They've bought all the issues of *Club* with me in, but they very sweetly said they preferred me in the flesh all dolled up for a night out. So I thought that might be a nice idea for a photo shoot (don't worry, I'll get round to all your fantasies eventually!), just me all

ready to go out and have a few drinks with the girls. I'm sorry to say, we get pretty wild after a few vodkas, and things can get messy. Those two readers found out first hand, but they certainly went home happy! I hope you enjoy this shoot – and next month's wild 40th anniversary shoot – but keep writing me all your lovely, filthy letters. I can't get enough! ♣

Dear Sasha

You may think I'm a stalker, but I love you. Just to look at your petite tits and peachy bum had me instantly erect. The pics of you looking sexy like a tart – being put nicely – a few months back and also thinking back to Halloween – you can ride up and down my joystick till I come inside you. Bring along the costume too. Please dress up as a nurse, police officer or maid in the next issue to keep our members happy. Finally, your lovely lesbian friend Valentina and you were beautiful in the latest issue!

Simon, Brighton

Hi Simon, thanks for your letter – there's nothing stalkerly about it, it's sweet! I've got a lovely nurses uniform that I might get out of the closet for a shoot very soon. Watch this space and keep shooting all your lovely sperm for me. Oh, and if you like lesbians, wait until next month...

Dear Sasha

I know *Club* isn't the first magazine that springs to mind when you think of messy, filthy, sploshy shoots, but I'd love to see you getting really mucky – preferably with a load of girls. You always look so well dressed and you have lovely make-up and hair, so it's the contrast with seeing you like that and afterwards covered with paint or mud or jelly that turns me on so much. In fact, you and another girl doing some jelly wrestling is my idea of heaven.

Carlo, London.

*Being a city girl, I'm not all that used to getting down and dirty, Carlo, but if it involves me and another hot girl, I'll get as messy as I have to! In fact, while we didn't get out of hand, a girlfriend and I ended up having a bit of a cake fight for a shoot recently. You might even see that in the pages of *Club* very, very soon. xxx*

ASHES TO GASHES! ♣

Never mind the cricket, girls...

Aussie hotties Kiki Vidis and Aylin are doing their best to put a brave face on things. But after that Ashes debacle (and in case you missed it, they got beat a million to nil by the English), it's proving to be hard for them.

So how do these two Antipodean hotties get over sporting embarrassment? By lezzing off in grand style, obviously. How best to ignore the dreadful form of opener Phillip Hughes than sucking on perky tits? Tortured by the memories of Ben Hilfenhaus' pitiful bowling? Fingerfuck your best girl-buddy.

Of course, it's going to take a lot of pussy eating to erase the bitter, bitter agonies inflicted by Ricky Ponting's loss of form, knackered finger and forthcoming enforced retirement. But Kiki and Aylin will do their best to cheer each other up in Australia's direst hour of need. However, someone should tell them we're about to kick their ass in the 20/20 series as well, so they should stock up on lube and dildos. ♣

RATINGS: ★ CAMERON ★★ CLEGG ★★★ CABLE ★★★★★ BALLS ★★★★★ BURNHAM

YOUNG HARLOTS FOREIGN EXCHANGE (HARMONY)

What fresh wank madness is this? Just as our balls have recharged, another padded envelope arrives bearing more Harmony horniness and our penises take another massive beating. Here cover cutie Henessy shows that while she only needs one 'n' in her name, she deffo needs two cocks in her nether parts. It's a searing DP from a girl who looks as though dicks wouldn't melt in her mouth. Michelle Moist puts in some work in a hot threesome, and blonde beauty Logan gets some length in holes both correct and wrong. Yes, the 'school' theme might be cornier than cream of sweetcorn soup with a cob of corn on top, with a dessert of popcorn, but

JACK'S POV 16 (DIGITAL PLAYGROUND)

Take your mind off the fact that Cameron and his goons are cutting your grumble budget by 80% and tweak one off to the latest superb instalment of POV poking from our friends at Digital Playground. McKenzie Lee might look a bit weird and surgical these days, but you can't argue with the bumming she gets here. Raven Alexis was built for 'barely legal' activity, while Kasey Chase is so fresh-faced she must keep it in the fridge. Throw in ball-draining scenes courtesy of Kortney Kane and Chayse Evans and your ballbag will be emptier than the coalition's promises. ★★★

ROUGH AND NASTY ATM WHORES (PUMPKIN MEDIA)

See, we don't normally review such scurrilous UK gonzo bongo on these sensitive, new man pages. But then, we don't get that much UK scud that features Michelle Thorne getting her backdoor kicked in. There are three other British tarts getting doinked in the wrong 'un as well but, sorry girls, our man milk was all meant for Miss Thorne. See, while it's a shame her X-Factor dream died, we're happy she returned to getting some dick in her instead. Better than a shitty album we'd never play. Whereas we'll play this again. And have a wank. ★★★

JENERECTION X! 

Jenny's from heaven...

Is it just us, or does new Brit-on-the-block Jenny look like she'd fuck you ragged? You'd be expecting a Sunday morning quickie before watching *Cricket Writers on TV* and you'd end up drilling her insatiable fanny for hours on end, sweating like a stuck pig and leaning over the side of the bed to take crafty puffs on an inhaler.

In fact, we'd go so far as to say that Jenny would wear out the hardest man among us. Even the champion of *Total Wipeout*, if he's reading. After wearing your cock to mince she'd shrug and mutter something like, 'is that all you've got?' And because it absolutely is all you've got, you'd then have to bend over and take it from her with a strap-on as she pegged you to the bed like the endlessly horny fuckmuffin she clearly is.

Obviously we haven't met or spoken to Jenny yet, but we like to think that, courtesy of these pictures, we've got her number. And she's got ours – we're not man enough for her! ♠

Gigi wants to get physical, physical...

Some horrible, hateful people don't have to do anything to maintain a fit body in peak condition. Lucky bastards. The rest of us have to shell out for gym memberships that we use twice in the first week, and then watch as the direct debit goes out every month to no discernible effect.

Gigi's solution is simple. She's never been to a gym in her life, she just reckons you can fuck yourself fit.

"Why pay to do squats when I can squat over a cock and bounce up and down for half an hour?" asks the LA resident, sensibly and pertinently. "And if you need any encouragement to exercise, I reckon me bent over a table with my pussy or butt on a plate should do the job. With every thrust you're burning calories and making me cum. It's win-win..." ♣
